Washington, DC
November 15, 1943.

Dear Mr. Weisberg:

It was good of you to write such a friendly note - I'm sorry to have to write you that Martin's shadow looms large, and that Dewey has decided not to go ahead on your case. I think he's smart, but — think he's smart, but —

I hope you get out of the army as a result of the rumored shake-out. It's by far the best answer, all matters
